

**ROCKY MOUNTAIN CHAPTER
COACH TRAILS
VOLUME 53 ISSUE 9 April 2009
Presidents Message**

WOW! What a weekend. Lots of snow or lots of rain, or some of both, but no rally. Due to the inclement weather, I thought it to be in the best interest and safety of our members to cancel the rally for April. Thanks to Larry and Deb Loss for helping to arrange activities for the rally. But all is not lost. Our May hosts, Don and Carol Hart and Kathy and Gerry Dunn have agreed to let Deb and Carol host the BABY SHOWER for Marge Yost's twins on Friday night at the rally in Colorado City.

It looks like the May hosts have a great rally planned for us in Colorado City. For those of you who paid for the rally in April and will be attending the rally in May, your fees will be credited to the May rally. Since we have limited spaces available for May, I suggest that you get your reservations in early.

See you in May

Jerry Roose

A WORD OR TWO FROM YOUR EDITOR:

We are sorry that the start of our rally year had to be postponed until May due to the weather, but we look forward to seeing you at the Colorado City rally. It looks like a very good time is planned. On a sad note we would like to send our condolences out to Jim and Karen Hopkins. We have learned just recently that they lost their Daughter in February. Our sympathy goes to them in their loss.

Connie & Jack
